

# LETTER OF REFERENCE

Mr Dariusz Zielonka (<http://www.naturalwebdesign.net>) in years 2012-2013 cooperated with Administracja Domów i Stołówek Studenckich of Warsaw University of Life Sciences - SGGW. He was a sole designer and developer of a new website for ADiSS SGGW.

Project of the website consisted:

- Implementation in WordPress content management system (backend panel with control on website's content and functions);
- Mobile web site version;
- Contact form with validation and SMTP;
- Search engine optimized multilingual feature for all contents of the website;
- Social media integration: Facebook, Twitter, Google Plus, LinkedIn on web pages;
- Slideshow on home page;
- Frontend search function;
- Google Analytics;
- Photo gallery with lightbox integrated with social media: Facebook, Google Plus, Pinterest, Twitter as well as deep linking;
- Implementation of Open Graph protocol;
- Information bar about using cookies and functionality of disabling cookies utilization by the website in order to comply with European Union's policy.

I recommend Mr Dariusz Zielonka very highly to anyone with demand for a professional website, as he keeps the deadlines and works with full commitment.

Sincerely,

KIEROWNIK  
Administracji Domów i Stołówek  
Studenckich
